The NPDF is a Congressionally recognized and IRS approved 501(c)(3) non-profit foundation that funds the Safe Cop™ and Operation Kids™ Programs

Introduction

The National Police Defense Foundation is a congressionally recognized and IRS designated 501(c)(3) non-profit foundation that provides important medical and legal support services to the law enforcement community.

The NPDF funds two public safety initiatives, the "Safe Cop" and "Operation Kids" programs via membership dues and public donations.

The NPDF works for the interest of Federal Agents, Sheriffs, Police Chiefs, State Troopers, county and local law enforcement personnel. Its roles exceed over 100,000 members and supporters, many of which include corporate, professional and associate members.

The NPDF membership has expanded tremendously over the years resulting in the development of NPDF coalitions, such as the State Troopers, Police Chiefs, and Federal Officers Coalitions. In addition, the NPDF has expanded internationally with members in Europe, Asia, South America and the Caribbean.

Every member of the NPDF Executive and Advisory Boards is a volunteer and composed of distinguished elected officials, as well as the directors of national law enforcement, civil rights and fraternal associations.

Joseph Occhipinti,
Founder & Executive Director

Operation Kids

The "Operation Kids" program is a multi-faceted NPDF child safety program that distributes free child fingerprint/DNA kits to parents, sponsors youth athletic events, posts periodic rewards on missing children and arranges life saving operations for critically ill children. This program was personally endorsed by John Walsh of *America's Most Wanted* and profiled on *CBS Early Show*.

Joseph Hopkins,
Leandro Taveras,
Emma Robertson

Operation Kids.

Project Pedophile™

The NPDF recently implemented "Project Pedophile" in order to address the serious increase of pedophile activity on the internet that has been victimizing our children. The program will reward any child with a \$1,000 U.S. Savings Bond for information that leads to the federal arrest and conviction of any pedophile operating on the internet.

Safe Cop™ Program

www.safecop.org

Entered into the "Congressional Record" in 1995, the NPDF trademarked program "Safe Cop" which posts up to a \$10,000 reward for public information that results in the arrest and conviction of anyone who shoots a member law enforcement officer, anywhere in the United States. The Safe Cop program was expanded to provide law enforcement personnel victimized by September 11th with free grief counseling, emergency financial assistance, meals, lodging and supplies.

Sept 11th Police Memorial Fund™

www.opkids.org

The NPDF has commissioned world-renowned sculptor Franco Minervini to create a police memorial in the tri-state area that will honor the many police heroes lost on September 11th.

NPDF Legal Defense Cases

The NPDF mission statement is to "protect and support" the interests of law enforcement. Too often, dedicated law enforcement officers are victimized by criminal elements that fabricated allegations of misconduct. The NPDF has been credited in exposing many of those injustices on national news shows, such as 60 Minutes, NBC Date Line, Fox News, CNN among others.

The NPDF offers (via its member attorneys) a free legal consultation to its members who experience a job related legal problem.

NPDF Legal Defense case profiled on the NBC Today Show.

Annual Awards Dinner

The NPDF holds an annual awards dinner that benefits the Operation Kids program. The past honorees have included distinguished civilians, corporate, law enforcement and public officials.
