February 1, 2010

Dear Brothers and Sisters,

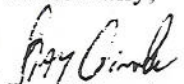

The Bone Marrow Recruitment Drive for Mike Costanza will be held on February 27, 2010 from 11:00 am to 6:00 pm in Vanderbilt Hall, Grand Central Terminal.

As many of you know, Mike has been diagnosed with Leukemia as a result of the many hours he spent at Ground Zero after the 9-11 attacks.

The recruitment drive is targeting people of Sicilian and Italian heritage, as that gives a better chance of a match for Mike. PBA members of Sicilian/Italian heritage are encouraged to attend and get tested. Please forward to any family members or friends of Sicilian/Italian heritage that may wish become a donor.

Any members wishing to volunteer and assist at the recruitment drive please contact Bill Waring at the PBA office as soon as possible.

Fraternally,

 Ray Gimmler
 President
